## Employee Engagement Solutions

YourCause.com is a Web 2.0 social-media platform where caring people can harness the power of the Internet to raise funds, awareness and volunteer for the IRS approved nonprofit organizations that are making our world a better place.

- Customized appearance with your corporate logo and colors, creating an internal community only your employees can access
- Employees can experience the freedom to chose their cause, interact with other team members in an online community, and feel truly connected to corporate philanthropy programs
- Capture the goodwill employees are providing, receive custom reports on activity, progress and measure the impact your corporation has.
- Allow your employees to choose from all 1.4 million 501(c)(3) charities, or limit them to a subset of nonprofits that align with your corporate values
